

SPECIAL INTEREST BADGE

Create your own interest badge about an active lifestyle. This does not mean to draw an interest badge, this means you must do something that has to do with an active lifestyle that is not covered in any of the other "Key to Active Living" interest badges. Describe here what you did for your special badge, and if it involves creating something, bring it to Brownies to share.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
