

SPECIAL INTEREST BADGE

Create your own interest badge about the arts. This does not mean to draw an interest badge, this means you must do something related to the arts that is not covered in any of the other "Key to the Arts" interest badges. Describe here what you will do for your special badge, and if it involves creating something, bring it to Brownies to share.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
