WOOD WORKS

Key to I Can Interest Badge

Learn the safety rules for using woodworking tools and what protective equipment is needed. What tools do you need to use with adult supervision?

With adult help, use two woodworking tools, one of which you've never used. What tools did you use?

Build a mobile, a wood chime, a birdhouse, a bird feeder, a kite, or a treasure box using wood. What did you build?

Bring your wood project to your Guider and explain how you made it:
