

Name: _____

SPECIAL INTEREST BADGE

Key to the Living World Interest Badge

Create your own interest badge about the Living World. This does not mean to draw an interest badge, this means you must do something related to the Living World that is not covered in any of the other "Key to the Living World" interest badges.

Do three things tied to this idea and describe here what you did for your special badge, and if it involves creating something, bring it to Brownies to share.

1. _____

2. _____

3. _____
