SPECIAL INTEREST BADGE

Key to Me Interest Badge

Create your own interest badge to show what makes you special. This does not mean to draw an interest badge, this means you must do something that is not covered in any of the other "Key to Me" interest badges that is related to your specialness. Describe here what you did for your special badge, and if it involves creating something, bring it to Brownies to share.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
