SPECIAL INTEREST BADGE

Key to My Community Interest Badge

Create your own interest badge about your community. This does not mean to draw an interest badge, this means you must do something related to your community that is not covered in any of the other "Key to My Community" interest badges. Describe here what you will do for your special badge, and if it involves creating something, bring it to Brownies to share.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.
