

Cookie Sale

(Sung to the tune of "Jingle Bells")

Cookie sale, cookie sale,
Cookie sale today.
Come and buy your Girl Guide cookies
Before they go away - Oh!
Cookie sale, cookie sale,
Cookie sale today.
Come and buy your Girl Guide cookies
Before they go away.

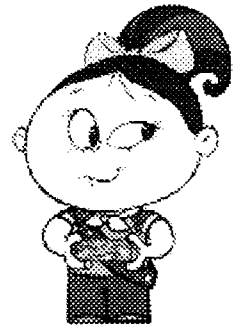

Chocolate and vanilla,
The choice is yours to make.
Come and take a great big bite
Before it is too late.

Thick and creamy fillings,
Sandwiched like a bun.
Come and take a great big bite
And try to eat just one!

Itsy Bitsy Brownie

(Sung to the tune of "Itsy Bitsy Spider")

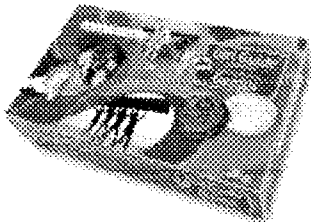

The itsy bitsy Brownie
Skipped up to her task.
She knocked upon the door
And prepared herself to ask—
"Would you buy my cookies?"
She said with a grin.
"The price is just two toonies
So I can go campin'!"

I Like Vanilla

(Sung to the tune of "Like the Flowers")

I live vanilla,
I love the chocolate mint.
I like to dunk them
In a glass of ice-cold milk.
I'll eat the whole box,
When all the lights are down.

Boom-de-a-da, boom-de-a-da, boom-de-a-da, boom-de-a-da.
