

Tool Time!

(Sung to the tune of "Wheels on the Bus")

The hammer in the shop goes "Bang, bang, bang!",
Bang bang bang, bang bang bang.
The hammer in the shop goes "Bang, bang, bang",
So early in the morning.

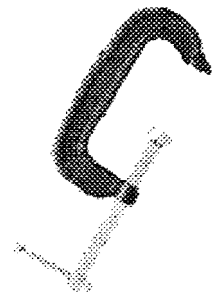

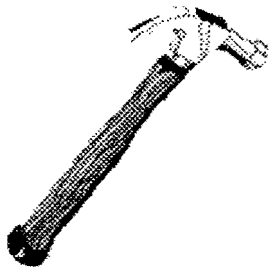

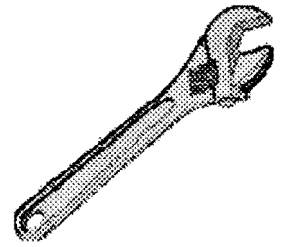

The drill in the shop goes "br-r-r, br-r-r, br-r-r"

The saw in the shop goes "buzz, buzz, buzz:"

The socket wrench goes "click, click, click"

The router in the shop goes "whir, whir, whir"

The measuring tape goes "snap, snap, snap"
